

441—88.72(249A) Payment to the contractor.

88.72(1) *Capitation rate.* In consideration for all services rendered by the contractor under a Medicaid contract with the department, the contractor shall receive a payment each month for each enrollee. This Medicaid capitation rate represents the total obligation of the department with respect to the costs of Medicaid mental health and substance abuse services provided to enrollees under the contract. The contractor accepts the rate as payment in full for the Medicaid-contracted services.

88.72(2) *Determination of rate.* The Medicaid capitation rates shall be established in the contract and shall not exceed the cost to the department of providing the same covered services on a fee-for-service basis to the same group of Medicaid members eligible for the plan.

88.72(3) *Payment for services to other recipients.* When the department chooses to include mental or substance abuse services for recipients other than enrollees, the department shall establish rates and reimbursement procedures in the contract.

88.72(4) *Third-party liability.* If an enrollee has health coverage or a responsible party other than the Medicaid program available for purposes of payment for mental health and substance abuse expenses, it is the right and responsibility of the contractor to investigate these third-party resources and attempt to obtain payment. The contractor may retain all funds collected through third-party sources. A complete record of third-party liability shall be maintained and made available to the department at the end of each contract year.
